

LINCOLN COUNTY ALERTS **BE AWARE. BE PREPARED. STAY INFORMED.**

Sign-up for Lincoln County Alerts, the county's public alert and warning system through CodeRED by Crisis24.

Alerts may include:

- Severe weather
- Flooding
- Dam-related emergencies
- Evacuation information
- Missing persons
- Road closures
- Hazardous conditions
- Other urgent community updates

Enrollment is free.

Register addresses where you want to receive alerts, such as your home, workplace, school, or other important locations.

When appropriate, alerts may be targeted to specific affected areas so important information reaches the people most likely to be impacted.

**Receive timely
emergency and public
safety alerts from
trusted local officials.**
